Notes

a/ As communicated by the competent authorities of the Government of Switzerland, depositary of the Protocols. By a note dated 15 August 1990, the Permanent Observer Mission of Switzerland informed the Secretary-General as follows:

> "On 21 June 1989, the Federal Department for Foreign Affairs received a communication of 14 June 1989 from the Permanent Observer of Palestine to the United Nations Office at Geneva concerning Palestine's participation in the four Geneva Conventions of 12 August 1949 and their two Additional Protocols of 8 June 1977. On 18 September 1989, the Federal Department for Foreign Affairs sent to the States parties to the Conventions an information note of 13 September 1989 regarding this communication, accompanied by the text of the latter. In the information note, the Swiss Federal Council, depositary of the Conventions, brings to the attention of the States parties that it is not in a position to settle the question whether the communication should be considered an instrument of accession within the meaning of the relevant provisions of the Conventions and their Additional Protocols."
